SPRING HILL CIVIC LEAGUE BOARD CHANGES

Our board President, Joan Russell, will be moving out of the area this fall. We thank her for her dedicated service for the last 6 years. Ben Soltesz, our Vice President will serve as acting President through the end of the year.

We are appointing a new addition to the board, Bob Sobocinski. Bob won the Northside Leadership Conference Spring Hill Civic League's community award in 2010. As President of Spring Hill's non-profit youth fitness center, Steel City Boxing Association, Bob demonstrates a contagious passion for improving the neighborhood. As a liaison between the SCBA and the Spring Hill Civic League, Bob has coordinated fundraising events and community service. His demonstrated personal commitment and engagement make him a valued contributor.

Other board changes include the appointment of James Rizzo and the resignation of Michael Keenan. Michael plans to continue his engagement with the community by participating in the Tree Vitalize project and the Spring project. James has been helping with community events over the last several years and is a welcome addition.

MOSAIC MURAL WALL UPDATE

A meeting with the Department of Public Works, Council President Darlene Harris, Linda Wallen, Chris Waraks, Amanda Green, Werner Krupp, and members of the Spring Hill Civic League took place recently to discuss the progression of the Mosaic Mural Wall project. Large stones like those on the corner of Chestnut and Spring Garden will be placed along the lower perimeter/corner of the lot and the ground will be re-graded. Soon after, the city will install the footer for the Mosaic Mural wall to be built on. Take heart, progress has been slow, but it is happening!

LETTER FROM THE EDITOR

My name is Tammy Waraks and I am happy to announce that I will be taking over as the new Editor for the Spring Hill / CityView Times Community Newsletter. To give you a little background about myself, I moved to Spring Hill several years ago, and have been trying to be as active in the community as possible. I have sat on the Board of Directors for Spring Hill Civic League since January of 2011. My husband and I purchased his grandparents' house, (Pete & Rose Kirin) who were long term residents of Spring Hill. My husband and I also plan to be lifetime residents of Spring Hill and truly feel we are living in Northside's secret nook community!

I also manage the Spring Hill Civic Leagues Facebook page. If you are on Facebook and have not "Liked" your community page, there is no time better than the present. It is a great way to share information in-between newsletter publishing. So, let's see how many new "Likes" we can get before the next newsletter is published.

On to the newsletter, this newsletter is the Spring Hill/ CityView community newsletter. I encourage the community to actively participate and make suggestions to what you want to see in this newsletter. I am open to suggestions, or ideas of anything you enjoy seeing in the newsletter or something you would like to see. So, if you have a new neighbor who recently moved into our community, what a better way to welcome them by submitting their names. Also, weddings, anniversaries, birthdays, special achievements, recipes, garden advice, household hints, church announcements, birth announcements, obituaries, memories of Spring Hill / CityView or anything else you can think of are welcome.

I look forward to hearing a lot of input for the winter edition (December-February). Please have your submissions to me by November 15th. Submissions can be sent to:

**CITY OF PITTSBURGH
COUNCIL PRESIDENT
DARLENE M. HARRIS**

What a busy summer! In May MeMe's Market opened on Walz Street. Thanks to the dedication of Spring Hill Civic League and residents a very successful National Night Out was held in August.

There's a lot to look forward to this Fall, starting with the Fall Community Clean Up on October 13th. Yes, it's time to roll up our sleeves and participate in the October neighborhood Clean Up and relax and enjoy Spring Hill's Halloween celebration on October 20th. These are wonderful opportunities to reconnect with longtime neighbors and meet newcomers.

My office continues to work towards remediating the situation of the church on Rhine Street. In August the city's BBI filed legal action against the owners.

For Spring Hill to continue to improve it takes the involvement of its residents. Much time and energy goes into planning projects, throughout the year. Please volunteer some of your time and talent to the neighborhood. A good place to start is by attending Spring Hill Civic League's next member meeting, on September 10th.

I am pleased to announce that our Council District 1 website has a new look and we continue to improve upon its collection of district wide

resources and links. Please check it out and send your feedback:

***New Grant Program
Connects Students with
High-demand
Occupations***

Part of a recently enacted law allows the Pennsylvania Higher Education Assistance Agency (PHEAA) to provide grants to students seeking training and education in high-demand occupations. Previously, PHEAA grants were only awarded to Pennsylvania residents enrolled in a two-year or four-year degree program.

The new Pennsylvania Targeted Industry Program (PA-TIP) targets courses of study that are at least 10 weeks but less than two academic years in length in the energy, advanced materials and diversified manufacturing, and agriculture and food production fields. Courses within these fields are typically offered at community colleges and business, trade and

technical schools. Additionally, the program assists students enrolled in programs of study that are not eligible for Pennsylvania State Grants.

For more information and to see a complete list of eligible courses, please visit www.pheaa.org/funding-opportunities, and then click on PA-TIP.

The program provides grants up to the equivalent of the maximum State Grant award (\$4,348) or 75 percent of the student's allowable cost, whichever is less. These grants can be used to cover costs such as tuition, fees, books and supplies, or they may be used as an educational expense allowance.

The program is funded with \$5 million of PHEAA's business earnings. The program will provide funding to qualified applicants on a first-come, first-served basis.

Students interested in receiving an award must submit a Free Application for Federal Student Aid (FAFSA) and a PA-TIP student application.

For more information, please visit PHEAA.org/PA-TIP, call 800-692-7392 or email patip@pheaa.org.

CITY OF PITTSBURGH

"AMERICA'S MOST LIVABLE CITY"

Office of Mayor Luke Ravenstahl

Dear Neighbors,

Throughout the summer, the City has been working vigorously to improve streets, repair sidewalks and upgrade the overall maintenance of our neighborhoods. The Department of Public Works (DPW) maintains and cleans our City's streets, parks and public spaces, working to beautify our neighborhoods and make them safer.

The warm summer months allow more outdoor work to be completed, and this year we've raised the bar by increasing the amount of streets paved and working with more community groups to clean up their blocks. So far this summer, we have paved almost 50 miles of City streets and expect to complete 60 miles by the end of this year. Also, 56 new handicap ramps have been installed, with an expected 104 to be completed by the year's end. DPW has also worked with Redd Up and Green Up groups to clean 43 lots, board up 102 abandoned buildings, clear 466 tons of debris, create 12 new community gardens and officially open the South Side Dog Park. If you haven't checked it out yet, visit the City's newest dog park at 18th Street and Riverfront Park.

The City's parks are fun, safe areas for families and children to socialize during the summer and after school. Safety repairs and improvements have recently been made to many of the City's 145 parks and playgrounds, including upgraded courts, lighting and overall appearance. Also, over the summer, 17 City pools have been available for families to enjoy, including the repaired and improved Moore Pool in Brookline.

All year round, the City works diligently to keep our neighborhoods safe and clean, providing the environment, resources and services that make Pittsburgh America's "Most Livable City." Please do your part to keep up the progress by working with neighbors and City representatives to combat blight, litter and crime, and help continue the transformation of our City.

Sincerely,

Luke Ravenstahl

GREENWORKS COMMUNITY CLEAN-UP

On June 14th volunteers from Alcoa held a community clean up for Spring Hill as part of their Green Works project. In celebration of Arbor Day, Earth Day and World Environment Day, thousands of Alcoa employees worldwide volunteer to reduce their carbon footprint, recycle to save energy, and plant trees to replenish the environment from April 21 to June 21, as part of Alcoa Foundation’s Green Works initiative. Many thanks to the Alcoa volunteers for their help in “redding” up the Spring Hill neighborhood.

MEMORIAL DAY May 28, 2012

Spring Hill's Memorial Day Celebration was held to commemorate our veterans on a beautiful day at Brady Memorial Home on Southside Avenue. It was attended by a large crowd of community members. The Color Guard and Firing Squad of American Legion Post 565 and VFW Post 7090 honored our deceased veterans by firing a 21 gun salute after which Taps were played.

Pastor Pat Bonds of St. Michael and All Angel's Lutheran Church gave the invocation and Johanna Leonard led us in singing The Star Spangled Banner. Council President Darlene Harris and Commander Bob Lynch were guest speakers. We ended the commemoration with a benediction and the singing of America The Beautiful. After the ceremony concluded, the gathering enjoyed grilled hotdogs and cold drinks before dispersing.

Thank You to the many volunteers who assisted with set-up, food, and clean-up that day. They included Mark Miller, Eileen Back, and the Civic League board. Especially responsible for the day's success were Steve Brady and the staff of Brady Memorial Home. A special thanks to Jim Hurray who photographed the event.

Thank You to Bob Lynch and the men and women of American Legion Post 565 and VFW post 7090 for their faithful participation in our annual commemoration. They truly make our ceremony special and go to each of the war monuments in our community every Memorial Day to properly commemorate their fallen comrades.
